Notification regarding Booking of Extraordinary Loss

Sansan, Inc. (the “Company”) announces today that it has booked the following extraordinary loss in the financial results for the three months ended August 31, 2019.

1. Details of the Extraordinary Loss

The Company appraised the recoverability of some software assets belonging to the Sansan Business, the Eight Business, and Corporate Expenses not belonging to any reportable segment based on the “Accounting Standards for Impairment of Non-current Assets” and considered a conservative estimate of future income. As a result, the Company recognized loss on impairment of relevant software of ¥37 million, of which the breakdown was ¥6 million from the Sansan Business, ¥9 million from the Eight Business, and ¥21 million from Corporate Expenses not belonging to any reportable segment.

2. Outlook

The aforementioned extraordinary loss has been fully reflected in the financial results announced today as the “Financial Results for FY2019 Q1.” There is no change to consolidated earnings forecasts announced on July 12, 2019.
