I. Basic views on corporate governance, capital structure, corporate profile, and other basic information

1. Basic views

SoftBank Group Corp. ("SBG") and its subsidiaries (collectively, the "Company") are guided by a fundamental concept of "free, fair, and innovative," and a corporate philosophy of "Information Revolution – Happiness for everyone." The Company aims to be a provider of essential technologies and services to people around the world while maximizing its enterprise value.

SBG, the holding company of the SoftBank Group (the "Group"), recognizes that it is vital to maintain effective corporate governance in order to realize this vision. SBG continues to strengthen governance within the Group by taking measures such as formulating the SoftBank Group Charter to share the Group's fundamental concept and corporate philosophy and devising Group Company Management Regulations of the SoftBank Group to set out the management policy and management framework for group companies, as well as establishing compliance with the SoftBank Group Code of Conduct to prescribe policies to be followed by the Company and its Board Directors and employees, among other matters. SBG has also formulated the SoftBank Group Sustainability Principles to set forth matters necessary for the Company to appropriately carry out sustainability activities, thereby aiming to grow together with customers, shareholders, employees, business partners, and society by actively contributing to society through its businesses in an aim to achieve a sustainable society.

SBG's corporate governance system centers on the Board of Directors, Audit & Supervisory Board Members, and the Audit & Supervisory Board. Four of the 9 Board Directors are External Board Directors to ensure robust mutual monitoring between the Board Directors, and a majority of the members of the Nominating and Remuneration Committee, which is a voluntary advisory body to the Board of Directors, are independent External Board Directors to ensure objectivity and transparency concerning the election,

dismissal and remuneration of Board Directors. Furthermore, three of the four Audit & Supervisory Board Members are External Audit & Supervisory Board Members to ensure independent auditing functions, thereby strengthening the monitoring of management.

Basic guidelines

SBG stipulates the following basic guidelines for corporate governance based on the principles of Japan's Corporate Governance Code.

Securing the rights and equal treatment of shareholders (General principle 1)

SBG strives to fully secure shareholder rights by developing an environment in which all shareholders, including minority and overseas shareholders, can effectively exercise their rights. SBG also treats all shareholders equally in accordance with their shareholdings, in compliance with laws and regulations.

Appropriate cooperation with stakeholders other than shareholders (General principle 2)

SBG endeavors to build good relationships with all stakeholders, including shareholders as well as customers, employees, and business partners, and to cooperate appropriately with them in order to contribute to maximizing enterprise value. To this end, the Board of Directors and management team seek to establish a corporate culture where the opinions and positions of stakeholders are respected by formulating the SoftBank Group Sustainability Principles and the SoftBank Group Code of Conduct, and complying with these standards.

Ensuring appropriate information disclosure and transparency (General principle 3)

SBG appropriately discloses both financial and non-financial information in compliance with relevant laws and regulations and the rules of the Tokyo Stock Exchange. Furthermore, SBG also strives to actively provide information beyond that required by laws and regulations and the Tokyo Stock Exchange when necessary by carefully considering the impact on investors and other stakeholders. In either case, the Board of Directors strives to ensure that SBG's information disclosure is always fair, clear, and useful.

Responsibilities of the Board (General principle 4)

Given its fiduciary responsibility and accountability to shareholders, SBG's Board of Directors strives to maximize enterprise value by thoroughly engaging all Board Directors, including independent External Board Directors, in timely and appropriate discussions of the Board meeting agenda to consider the entire group's management strategy over the medium to long term. The Board also strives to achieve proactive and bold management strategies while controlling risks. The Board of Directors, Audit & Supervisory Board Members, and Audit & Supervisory Board strive to ensure their transparency by carrying out highly effective oversight of management.

Dialogue with shareholders (General principle 5)

SBG proactively engages in constructive dialogues with shareholders and investors in order to contribute to maximizing enterprise value. Through these dialogues, SBG strives to further develop mutual understanding and foster relationships of trust, and to carry out management giving due consideration to their opinions.

Reasons for non-compliance with certain principles of Japan's Corporate Governance Code

Principle 1.4 Cross-shareholdings

SBG may hold shares under a so-called "cross-shareholdings" structure only when it has an important purpose in terms of management strategy other than pure investment purposes, such as anticipating a business alliance or business synergies to sustainably increase enterprise value. The objectives of such cross-shareholdings are individually verified on an annual basis, by the department responsible for investment in this form, after a comprehensive consideration of their materiality. Meanwhile, voting rights related to the shares in these cross-shareholdings are exercised, subject to the approval of the person with relevant authority, after comprehensively considering whether the proposal will contribute to the sustainable increase of enterprise value.

As of March 31, 2020, SBG held one stock as "investment shares held for reasons other than pure investment purposes," with a total value on the balance sheet of ¥20,828 million.

Supplementary principle 4.1.2 Commitment of the Board of Directors to achieving the medium-term business plans

SBG constantly reviews the entire group's medium-term business plans based on their progress and market trends and discussions are also held by the Board of Directors. However, SBG withholds its medium-term business plans from public disclosure.

With regard to its long-term management vision, SBG announced "SoftBank's Next 30-Year Vision" at its Annual General Meeting of Shareholders in 2010, its 30th anniversary year. Reaffirming its corporate philosophy, "Information Revolution – Happiness for everyone," and clarifying its vision and strategy for the next 30 years, SBG has made a commitment to its shareholders to become "the corporate group needed most by people around the world," as its vision through to 2040.

SBG's Chairman and CEO clearly explains the Company's business strategy for achieving medium- to long-term growth at the Annual General Meetings of Shareholders and at the quarterly earnings

results briefings.

Disclosure based on the principles of Japan's Corporate Governance Code

Principle 1.7 Related party transactions

Prior to their approval, all transactions at SBG are deliberated by specialist divisions such as the Accounting, Finance, and Legal divisions, based on internal regulations and according to the scale and materiality of the transaction. The process for approval is structured to enable Audit & Supervisory Board Members and the Internal Audit Department to check on the details at all times.

The Board of Directors Regulations stipulates that the Board must approve transactions conducted by Board Directors if these may compete or cause conflicts with the Company's interests. Each transaction is subject to approval by the Board of Directors and the transaction results are reported to the Board. SBG discloses related party transactions in its Annual Securities Report and non-consolidated financial statements attached to the Notice of the Annual General Meeting of Shareholders.

Principle 2.6 Roles of corporate pension funds as asset owners

SBG has not introduced a corporate pension plan, as assumed under Japan's Corporate Governance Code.

Principle 3.1 Full disclosure

(i) Guided by a corporate philosophy of "Information Revolution – Happiness for everyone," SBG aims to be a provider of essential technologies and services to people around the world through its endeavors in various businesses in the information industry. SBG discloses this corporate philosophy and vision on its website.

Supplementary principle 4.11.3 Summary of results of the Board of Directors evaluation

From November 2019 to April 2020, SBG had an independent organization conduct a questionnaire and interviews with its Board Directors (CEO, Executive Vice Presidents and External Board Directors) and all of its Audit & Supervisory Board Members from the perspective of the composition, operation, and support systems of the Board of Directors, and conducted an evaluation of the effectiveness of the Board based on the results of the questionnaire and interviews.

The results of the evaluation confirmed the overall efficacy of the Board of Directors. Meanwhile, in the questionnaire and interviews, management and oversight of the group companies and investees, as well as oversight of conflicts of interest, were often cited as important roles for the Board of Directors of SBG as a strategic holding company. In light of such roles of the Board of Directors, it was recognized that there are needs to enhance reporting on the status of the group companies and investees, as well as discussions on the management system for these companies. In addition, the needs were pointed out to increase the number of External Board Directors and to provide more detailed explanations at Board meetings and in the Board meeting materials, particularly with regard to investment projects.

The results of the evaluation were reported at the Board of Directors meeting held in April 2020, and the Board has confirmed that it will make improvements with regard to the indicated issues.

Supplementary principle 4.14.2 Training policy for Board Directors and Audit & Supervisory Board Members

SBG distributes the Board Directors' Handbook covering the responsibilities and obligations of Board

Directors to its Board Directors to enable them to acquire important skills and knowledge needed to stay abreast of current developments; and SBG's full-time Audit & Supervisory Board Members also actively participate in national conferences of Audit & Supervisory Board Members held by the Japan Audit & Supervisory Board Members Association and other types of training.

Principle 5.1 Policy for constructive dialogue with shareholders

SBG works to promote constructive dialogue with shareholders and other investors by assigning IR duties to the Board Director, Senior Vice President and has established the Investor Relations Department as the responsible department. The department conducts IR activities in close coordination with related departments such as Accounting, Finance, Legal, and General Administration. SBG discloses this structure on its website and in its Corporate Governance Report.

The management and the Investor Relations Department respond to requests for dialogue from shareholders and other investors within reason, paying careful attention to the handling of material facts subject to insider trading regulations. In addition to individual discussions, SBG holds earnings results briefings and briefings for retail investors to explain the status of its businesses to shareholders and other investors.

The Investor Relations Department compiles the opinions received from shareholders and other investors through dialogue and periodically reports them to management.

Approach to and policy concerning group management

Based on its unique organizational strategy, "Cluster of No. 1 Strategy,"* SBG will invest in subsidiaries and affiliates (for example, SoftBank Corp. and Arm Limited), as well as investment funds (for example, SoftBank Vision Fund L.P.) through participation, to build a corporate group that operates a diverse range of businesses in the information and technology sector, and to maximize its medium- to long-term corporate value. In this process, each investee will seek self-sustained growth, while SBG, as a strategic holding company, will support each investee company in its improvement of corporate value, by utilizing the network of group of companies as well as promoting collaboration among the investee companies.

Furthermore, the Company will confirm, or make reasonable efforts to ensure, that each investee company is operating under standards of corporate governance that are substantially equivalent to the standards set forth in the Policy on Governance and Investment Guidelines for Portfolio Companies of SBG.

* The goal of the "Cluster of No. 1 Strategy" is to form a diverse group of companies with outstanding technologies and business models in specific fields. Under this strategy, the companies are encouraged to create synergies to continue evolving and growing together, based on capital relationships and a shared vision, while making decisions independently. As a strategic holding company, SBG will seek to provide guidance on decision-making of companies in the cluster. SBG, however, will largely not seek to acquire majority equity interests or integration of brands, as it places greater importance to preserving companies' autonomy. By comprising such a diverse group of companies, SBG believes that it will be able to grow over the long term through flexible transformation and expansion of business lines.

Significance of having listed subsidiaries

SBG holds 62.1% of the voting rights of SoftBank Corp. (First Section of the Tokyo Stock Exchange, stock code: 9434).

SBG believes that it is desirable, from the perspective of group management, for the roles and values of SBG, which is investing on a global scale through the listing of SoftBank Corp., and those of SoftBank Corp. as a core company in the Group's telecommunications business field, to be clearly separated, and for SoftBank Corp. to improve its corporate value with a more autonomous management perspective and growth strategy.

The subsidiaries of SoftBank Corp. that are listed on Japanese financial instruments exchanges are Z Holdings Corporation, SB Technology Corp., ITmedia Inc., Vector Inc., ValueCommerce Co., Ltd., ZOZO, Inc., ASKUL Corporation, and eBook Initiative Japan Co., Ltd.

Measures to ensure the effectiveness of the governance system of listed subsidiaries

Masami Iijima

Designation as an Independent Officer: Applicable

Supplementary information on the relationship with SBG: Not applicable

Reason(s) for appointment:

Reason(s) for appointment as an External Board Director

After assuming the position of Representative Director, President and Chief Executive Officer of MITSUI & CO., LTD. in April 2009, Mr. Masami Iijima led the company's management for six years and played a major role in its growth. In April 2015, he became Representative Director, Chairman of the Board of Directors of MITSUI & CO., LTD. He has extensive knowledge and experience related to corporate management and corporate governance, including contributions to management oversight and improvement of the effectiveness of the Board of Directors.

SBG concludes that, given his significant contributions to the Board, Mr. Iijima is an indispensable person for resolving SBG's important management issues and enabling the increase of its long-term enterprise value, and has therefore reappointed him as an External Board Director.

Reason(s) for designation as an Independent Officer

Mr. Iijima is deemed to be adequately independent since none of the items listed in Clause III 5-3-2 in the Guideline for Listing Controls issued by the Tokyo Stock Exchange apply to him. SBG judged that there is no potential conflict of interest between Mr. Iijima and ordinary shareholders, and designated him as an Independent Officer in June 2018.

In fiscal 2017 and 2018, SBG made donations to the University of Tokyo, at which Dr. Matsuo serves as a professor, for the purposes of conducting research and operating endowed courses. However, in light of the fact that there were no transactions with the university in fiscal 2019 or confirmed transactions as of May 2020, SBG judged that there is no potential conflict of interest between Dr. Matsuo and ordinary shareholders, and designated him as an Independent Officer in June 2019.

Disclosure of policy on determining remuneration amounts and calculation methods

Overview of the remuneration system for Board Directors and Audit & Supervisory Board Members

While referring to results of a remuneration survey conducted by a specialized organization, SBG ensures the appropriateness of its remuneration system for Board Directors and Audit & Supervisory Board Members, so that the system provides remuneration that is competitive enough to attract global talent.

The total remuneration comprises fixed remuneration and performance-linked remuneration. Furthermore, the performance-linked remuneration comprises cash bonuses based on short-term performance and share-based payment based on medium- to long-term performance, and their proportion is determined individually.

The remuneration for Board Directors whose main duty is to serve as officers of subsidiaries and group companies is paid by the subsidiaries and group companies, and such amounts are determined based on the remuneration policy of each company.

The remuneration for External Board Directors and Audit & Supervisory Board Members consists exclusively of fixed remuneration.

Calculation of performance-linked remuneration

The performance-linked remuneration is determined on an individual basis by comprehensively taking into account individual performance based on the demonstration of capabilities and achievements of each officer and SBG's business performance based on consolidated operating income, consolidated net income, stock prices and other factors.

Body to determine the policy on determining remuneration amounts and determination procedures

The remuneration paid to Board Directors shall not exceed ¥5 billion for cash payment and ¥5 billion for share-based payment, pursuant to the resolution of the 38th Annual General Meeting of Shareholders held on June 20, 2018. The remuneration paid to Audit & Supervisory Board Members shall not exceed ¥80 million, pursuant to the resolution of the 10th Annual General Meeting of Shareholders held on June 28, 1990.

Entrusted by the Board of Directors, Representative Directors determine the remuneration for Board Directors based on the aforementioned results of the remuneration survey, taking into account the social status and the relative position of each Board Director, his or her contribution to SBG, and other factors.

The remuneration for Audit & Supervisory Board Members is determined through deliberation by Audit & Supervisory Board Members.

(5) Audit & Supervisory Board Members and the Audit & Supervisory Board

The Audit & Supervisory Board Members attend the Board of Directors meetings, allowing them to monitor and verify the decision-making of the Board and fulfillment of the Board's obligation to supervise the execution of duties by each Board Director. Moreover, the Audit & Supervisory Board Members receive regular reports from Board Directors, employees, Audit & Supervisory Board Members and other personnel of major subsidiaries and conduct hearings, as necessary, to audit the execution of duties by the Board Directors of SBG.

The Audit & Supervisory Board has been established to receive reports on, deliberate and resolve important matters related to audits. The Audit & Supervisory Board consists of four Audit & Supervisory Board Members, three of whom are External Audit & Supervisory Board Members (two full-time members and two part-time members), and is chaired by a full-time, internal Audit & Supervisory Board Member. SBG ensures adequate independence of the three External Audit & Supervisory Board Members, who possess a wealth of knowledge and experience in their professional roles as a lawyer, certified public accountants, or certified tax accountants.

The Audit & Supervisory Board meets once a month, in principle. At these meetings, in addition to formulating the audit policy and plan, details of various internal and external meetings attended only by full-time members are reported to part-time members. The Audit & Supervisory Board also explains details of the audit plan for each fiscal year, interim audit status, and audit results to the Board of Directors. Furthermore, as described in "2. Audit by the Independent Auditor, (1) Status of audit by the Independent Auditor, iv. Policy for selection of audit corporation and evaluation of audit corporation by the Audit & Supervisory Board," the Audit & Supervisory Board determines whether or not the reappointment of the Independent Auditor is appropriate, each term. The results of these internal audits are reported to the CEO, and briefings are also given to the Audit & Supervisory Board Members.

2. Audit by the Independent Auditor

(1) Status of audit by the Independent Auditor

SBG concluded an independent audit agreement with Deloitte Touche Tohmatsu LLC based on the Financial Instruments and Exchange Act. The names of the certified public accountants who executed audit duties in fiscal 2019, the number of assistants for audit duties, the policy for selection of audit corporation and evaluation of audit corporation by the Audit & Supervisory Board for the fiscal year are as follows:

- i. Names of certified public accountants who executed audit duties
Designated Limited Liability Partner and Engagement Partners:
Masayuki Nakagawa, Masayuki Yamada, Ryo Sakai, Yusuke Masuda

- ii. Consecutive auditing period
14 years

- iii. Composition of assistants who supported audit duties
Certified public accountants: 28, Others: 32

- iv. Policy for selection of audit corporation and evaluation of audit corporation by the Audit & Supervisory Board

The Audit & Supervisory Board sets criteria for appropriately selecting an Independent Auditor and appropriately evaluating the Independent Auditor in the Audit & Supervisory Board Members Audit Regulations. In accordance with such criteria, the Audit & Supervisory Board takes into account the system to ensure the proper execution of duties by the Independent Auditor, the independency required by the Independent Auditor, and its expertise including the possession of worldwide network resources, and determines whether the reappointment of the Independent Auditor is appropriate each year. The Audit & Supervisory Board has determined that reappointment was appropriate for this fiscal year. In the event that the Audit & Supervisory Board determines that reappointment is inappropriate, it considers other candidates for Independent Auditor in accordance with such criteria, upon taking into account factors such as audits at other companies.

The Audit & Supervisory Board has resolved, as its decision-making policy of dismissal or not reappointing of the Independent Auditor, that the Independent Auditor may be dismissed by the Audit & Supervisory Board with unanimity of Audit & Supervisory Board Members when the Independent Auditor corresponds to any of Paragraph 1, Article 340 of the Companies Act, and that, other than those cases above, the Audit & Supervisory Board shall submit a proposal on dismissal or not reappointing of the Independent Auditor to the Annual General Meeting of Shareholders when it is acknowledged that the execution of appropriate audit is difficult due to the occurrence of an event which impairs the qualification or independency of the Independent Auditor.

(2) Remuneration for audits and other duties

- Remuneration for audit certification duties

SBG: ¥723 million

Consolidated subsidiaries: ¥1,523 million

- Remuneration for non-audit duties

SBG: ¥17 million

Consolidated subsidiaries: ¥160 million

The non-audit duties for SBG mainly consist of the preparation of comfort letters when issuing corporate bonds. The non-audit duties for the consolidated subsidiaries of SBG mainly consist of advisory services in connection with the accelerated settlement of accounts of subsidiaries.

ii. Remuneration to the same network as SBG's auditing certified public accountants and other assistants (Deloitte Touche Tohmatsu Limited) (excluding "Remuneration for auditing certified public accountants and other assistants")

- Remuneration for audit certification duties

SBG: -

Consolidated subsidiaries: ¥4,031 million

- Remuneration for non-audit duties

SBG: ¥51 million

Consolidated subsidiaries: ¥790 million

The non-audit duties for SBG mainly consist of advisory services for taxation and other matters. The non-audit duties for the consolidated subsidiaries of SBG mainly consist of advisory services in connection with new businesses.

iii. Other material remuneration for audit certification duties

Not applicable.

iv. Reason(s) why the Audit & Supervisory Board gave its consent to the remuneration of the Independent Auditor, etc.

The Audit & Supervisory Board, based on the "Practical Guidelines for Cooperation with Accounting Auditors" published by the Japan Audit & Supervisory Board Members Association, reviewed and examined the plan details of the audit conducted by the Independent Auditor, the performance status of accounting audit duties, and the basis for calculating remuneration estimates, and from the results, has given consent prescribed in Paragraph 1, Article 399 of the Companies Act for the remuneration paid to the Independent Auditor.

3. Reasons for adoption of current corporate governance system

SBG adopts the company with Audit & Supervisory Board system. As explained in “2. Matters regarding functions of business execution, auditing, oversight, nomination, and remuneration decisions: overview of current corporate governance system,” its corporate governance system is built around the Board of Directors, the Audit & Supervisory Board Members, and the Audit & Supervisory Board.

The Board Directors carry out lively discussions at each Board of Directors meeting. Moreover, since four of the 9 Board Directors are External Board Directors, management benefits from diverse perspectives and the function for mutual monitoring between Board Directors are enhanced.

The Audit & Supervisory Board Members conduct strict audits of the Board Directors’ execution of duties from their specialist perspectives as a certified public accountant, a lawyer, or other professional. Moreover, since three of the four Audit & Supervisory Board Members, a majority, are External Audit & Supervisory Board Members, SBG’s audit function is enhanced by ensuring more independent perspectives.

The current system is thus selected because SBG judges that it can ensure effective corporate governance.
